U.S. KFOR Donates Vehicle

Vitina Community Receives 37-Passenger School Bus

Vitina, Kosovo – In a ceremony held Friday, Sept 10, the Viti/Vitina Municipality received a donated 37-passenger school bus. Soldiers from the Civil Affairs Battalion and Task Force Lancer, part of Multi-National Brigade (East), assisted in the shipping and delivery of the donated bus.

The donation aids the municipality in the transportation of students and teachers to school, and will greatly enhance the people of Kosovo's ability to demonstrate how to live together peacefully in a multi-ethnic community.

According to TF Lancer Civil Affairs officer Capt. George Seiler, KFOR is very happy to provide this bus for the use of students. "We think it's very important the children are able to get back and forth to their schools," Seiler said "We want to stress education for **all** the people of Kosovo."

Musa Misini, Viti/Vitina municipal president, and Brig. Gen Tod Carmony, the commander of MNB(E), were among those who presided over the ceremony.

"I believe Vitina is a model of integration and will be a confirmation to a better future," said Misini. The donation represents a significant step for the municipality.
